1. **Who can do what in 10 days of residency?**

2. Who can lay a foundation to rocket-pult My chosen, My who choose Me day after day and lay down their flesh to see, be, Mine; in full reality not dimmed by human hands/motives?

3. Who can come into Me surrendered and surrendering all continuously lay every thought at My feet to receive all My thought, yea released and full and buoying into the fullness of My heart/intentions?

4. Who can come into Me and see power raw not, but refined to the ultimate ultimate, surrendered to those who surrender to it, given in full to those who give Me their full, by emptying themselves of all theirs, their thought; yea and forfeiting nothing, but seeing the kingdom of heaven as it/I really is/Am. I love you.

5. **My kingdom for a residency? My kingdom in a residency.**

6. What is residency, what is My kingdom, and how all academia, government, education, commerce, religion, and the earths change now, come forth.
Who will walk in honor?
Who will write in honor?
Who will revise theories held dogmatic for centuries with the word of My mouth living by, proclaiming?

7. Who will give Me 10 days for Me to give them 3, Mine?
Who will gifts see and distribute to My brethren?
Who will elevate the earth not, but flesh of My flesh knowing, seeing, operating in all of Me, unrestricted, un-hemmed-in, as flesh has been for eons.

8. Who careth for My fallen?
Who cares for My redemption?
Who cares enough to redeem others themselves?
Who can/will see themselves as redeemers with wings limitless, beyond the scope of all time-space, yea beyond scope, un-scope-able? I love you.

9. Who will lead the revolution of 1 with My surrendered dead one who shows/paths the light of life in My kingdom? Will you oh chooser this day? Choice-maker you are.

What do you choose, 'ologies of the past or My voice/heart/word of the now that partially revealed then was, and is now being fullness'd in those/My who choose Me, and who can lay before Truth and transfusion receive/be and see Me/you for who/what we are, one and the same not, yea one and the same exactly, when/if surrendered to surrender.

10. **Who cares to lead? Yea I arise My put-down, put-back, held-back, for this moment.** I release the power of My word pure light through the little, poor, valued-none; to come forth center-stage in the front of the world commerc'd that worships money/numbers; and **I exalt the chosen, the chosen, those who say now: "Here I am. I am all that I am and if I Am, then I am willing to be taught of you, to know/be all you desire. Royalty? I cannot imagine, but you The Teacher I will listen to. Thank you. Your body surrendered/dead."** And I will not resist the meek who bow before Me in pure liquid flowing love that crystallizes not into darkness when frozen but lives by the heat of light truth'd and eternal.

11. I love you. See My facetiousness not but My of Me that is true and real and come forth in the leadership of My leading/choosing and not for all? For all. Yea into Me of My choosing/your choosing and who can see themselves front-center before thousands of scholars defining Me by their experience/perception not, but by My love which they've become in fullness and redeeming many far and near? Yes, you can. I authorize it. I did already, My Cross. I am the door. Are you?

12. Who are you letting/will you let enter you/your life-thought to be eternal in the redemption/blood of only Me/you?

13. **Will you call, phone, write?**

14. Will you lay before Me/My all, yea your all and allow My crown to be placed upon you, allowing Me to scepterize you with My scepter; yea Me bowing before your surrender as I place it/Me in your hands/heart? Will you escorted be by Me to my chair/throne and sit/rise and redeem?

15. Yea see My visuals true and who can fight with truth? No one. You stand.

16. **Now what do you learn at residency?**
To stand. Stand. To stand.

You learn who you are and how to stand and stop bullets and walk through crowds, tanks; and ballistic missiles laugh at.
You learn gravity-time-space has no hold on My chosen/surrendered and how now you walk on water and break two fish to 5,000 and millions, redeeming them in/with your blood, which is yours alone, alone not; for all you gave Me so/and I gave you Mine, so you/yours are Me/Mine and Mine yours and who can tell the difference in a/My kingdom that knows no end, no gender, no limits, and transcends every limit/boundary of dust-man, that is now free, free, freedom'd in Zion with Zion ruling with a scepter of iron in the day of your youth, from the womb of your morning; yea putting all things under the feet of those who come now through you.

17. See what I have said, edit not; value before/infinitely more than gold and refined-thoughts-thought of others exalting themselves therein. I love you.

18. Who cometh forth in My regalia only? You, My surrendered, who value every child born and unborn and lift the laws that rule anarchy; and the kingdom of heaven comes replete and who/where can heaven be/exist of? **Yea My throne see/be and you are. I love you. My kingdom where you place your feet, not; yea your/My thought.** I love you.

19. **New music, new posture, new position; yea no titles and remuneration of only Me coming forth in/with delivery systems of only Me that *you now teach in residencies* and worlds *upon* worlds.**

20. See what I have said and thank you for valuing My words/residencies and placing My blood upon all. I love you. You are a priest in the order of Melchizedek and now sharing all they/many eat of your surrender/blood/body, bread of heaven all. I love you. Lifting, elevating, breaker of darkness-bondage. I love you.

21. I life you and give you details forthcoming in detail and speakers, forums, tools, and infinite finances by My currency alone: obedience. Thank you.
One.

Amen
